

Parking for the NHSA State Meet

Due to early onset of mud season, the fields normally used for overflow meet parking will not be available for State Meet. UVAC has arranged for off-site parking and van shuttle service from lots next to the group of hotels closest to the Aquatic Center (less than 1/2 mile away).

We recommend dropping your swimmers and families off at UVAC and then returning to your hotel or the designated parking area to use our shuttle service. Please do not walk from the shuttle lot to the Aquatic Center. Route 5 is not suitable for pedestrians.

The shuttle lots are on Ballardvale Drive and are walking distance to five hotels. There will be signs on Route 5 saying UVAC Meet Parking and will be staffed by UVAC personnel.

Ballardvale Drive is off Route 5 on the left side (next to the Citgo Gas Station) just after exiting from Interstate 91 and heading to the Aquatic Center. The Fairfield Inn, Hampton Inn, Holiday Inn Express, and White River Inn are all on Ballardvale Drive. The Super 8 Motel is on Route 5 just beyond Ballardvale Drive.

Please follow the instructions of the gentlemen who are managing traffic and parking control.

For those of you who attended the 12 & Under Championships, this is the same process and location as used at that meet.

Thank you for your consideration in this matter.
